

AGM 2016 – Fund Raising Committee Report

Good evening ladies and gentlemen, tonight I represent the Fund raising Team for 2016. It is a group of dedicated parents and teachers who volunteer their time and energy in raising funds in order to keep CKPS the best school in the west.

At the start of the year, the SGB set a target of R150 000 and through various events we endeavoured to raise the funds.

Term 1 kicked off with the Father/Child campout. Thank you for your participation in the event and a special thanks to all the fathers who assisted in making the event a success.

Next a group of mothers showed their creative side in a morning of wrapping beautiful Mothers Day hampers.

Winter Sports Day - This is a long and hard day and thank you to all who assisted. Thank you, Lyndell, for coordinating our mini market. It sure was a festive day.

In term 3 we hosted Silver Coin Day. Mr Moyce's class won the longest line with a record breaking 33m. A special thanks to Mike at Natchez Spur on 14th Avenue for sponsoring the prize to the winning classes. The children enjoyed a lovely morning at Spur.

Gladiator Day also in the third term is an event that the children look forward to each year. It is the highlight of their year. This year Justine sponsored sun block for the kids and once again you as parents stepped forward, volunteered your time and energy to ensure that fun was had by all.

We also have various continuous projects in the year. Thank you to all parents who use their My School and Makro cards. Each swipe counts and contributes to the schools fund raising efforts. In our next FRC Newsletter, we will publish a list of vendors in the area where the My School card can be used. Please note that at some of the vendors, you need to ask that your purchase be recorded in the My School Book for it to count. One such vendor is the Caltex Garage around the corner on Golf Club Terrace.

Next we have the Clothes Horse, for those who do not know, we have our own, good quality second hand shop here at the school. Thank you, Barbara, Melanie, Fagmida and Fiona for volunteering your time every week and ensuring the smooth running of the shop. The success of the shop is dependent on the donations. Please donate any school uniform your children have outgrown.

Currently the Clothes Horse is running a special – Boys grey shorts at R15 each, Culottes at R40 each and jerseys at only R20 each, so stock up on your jerseys for next year.

To date we have raised R 200 000, but the year hasn't ended yet.

The finale for the year is our annual Fun Run. This is the biggest and most exciting event of the

he year. If you have not been able to take part in any of the events I have mentioned before – this is the one not to be missed.

This event has already kicked off with each child receiving a sponsorship form. I would like to encourage each of you to assist your children in obtaining sponsorships. This year the children who raise the most amount of money will be rewarded with prizes. We have secured prizes from City Rock, an exciting rock climbing facility, free entry to iJump. Vouchers from Smoch, Milky Lane and Wimpy.

Fun Run is family event and all the children are encouraged to take part. It is open to everyone, uncles, aunts, siblings, grandparents, everyone is invited. This is where the CKPS family will get together and enjoy a fun family day.

This year we have added a market to the event, with many exciting market stalls to browse. So even if granny and grandpa don't feel up to running, they are welcome to join in browsing the exciting stalls. We still have a few stalls available and if you wish to host a stall, details can be found on the communicator, alternatively speak to me after the meeting.

Tickets for the run can either be purchased on-line at entrytime.co.za or you can complete the pre-entry form with the number of tickets you require. Return the form and money in an envelope to your child's teacher and the tickets will be issued.

Please support our final and most exciting event for 2016.

This brings me to the end of my report on the fundraising efforts for this year and I hope to see you all at the Fun Run.

Thank you.
