

CONSTANTIA KLOOF PRIMARY SCHOOL

10KM ROAD RACE 5KM & 2KM FUN RUN

Invitation to stallholders

At this year's annual CKPS fun run it is intended to add +/- 50 market stalls to the event. **Application from potential stallholders are now invited.**

The primary objective is to add value to an established event. The purpose of market stalls is to allow local growers, producers, artists and crafters to display, promote and sell their products. Each stall space measures approximately 3m X 4m. If you need more than one space please indicate this on your application form. Payment is per space.

Stallholders provide their own shelter and/or tables if needed.

Stalls will be allocated on application.

This is an early morning event. The first race starts at 07h00. Registrations take place from 06h00. All stalls need to be set up early. As this is a road race, all access roads will be closed for the duration of the races.

CKPS has over 1000 learners, all learners are encouraged to participate in the event as well as invite family and friends. We expect approximately 1500 participants and additional spectators at the event.

The event will be advertised widely within the community;

- Local banners, flyers and posters
- Neighbourhood schools and churches
- Online in various community calendars
- Facebook and Twitter etc.
