INTERSEN PHASE REPORT FOR 2017 – MRS J BEESLAAR

CKPS AGM

Good evening ladies and gentlemen.

I am Mrs Beeslaar the HOD for the Intersen Phase.

ACADEMICS:

At CKPS, we continuously strive to keep our academic standards high. Reports are handed out after each term, thus ensuring that parents are kept fully up to date with the progress of their children for each term. Reports will be issued to learners on the last day of school which is WEDNESDAY, 6 DECEMBER.

The TOP TEN system is still in place, and learners who made it onto this prestigious list are given their badges during the first Intersen Assembly of each term, in recognition of their hard work and persistence. This is based on the learner's overall academic performance for each term. The top 10 learners in the learning areas of English, Afrikaans, NS, EMS, Social Sciences, Mathematics and Arts & Culture also participated in the Conquesta Olympiads during August. The results of the Top 20 schools in each subject will only be available in January 2018.

The learners participated in the NS Astro Quiz, NS & Tech, Maths and SS Olympiads, Public speaking, an Art exhibition and, for the first time, in a Sign Language spelling Bee. We are proud to announce that our learners kept the CKPS flag flying high at all these events.

The End of year Exams will be commencing on 13 November. All the information regarding these Exams is on the Website and the D6 Communicator.

At the end of the year, on 04 December, our annual Honours Evening will be held, to reward those learners who have achieved academic excellence throughout the year. This event is by invitation only.

Our educators have attended all their Subject Cluster meetings and other courses as well, for self-improvement. Attending these meetings ensure that the educators at CKPS are up to date with the latest developments in education and Departmental Requirements for our District.

CULTURAL ACTIVITIES

We believe that the cultural side of any school needs to be looked after and nurtured. Our children were exposed to live theatre this year, with a visit from On-Cue Theatre during the first half of the year. A very successful Concert was presented by the Intersen Phase and all the learners had the opportunity to watch this wonderful production.

The educators continuously aspire to keep the academic standards at CKPS as high as they have always been. Thank you, to all my colleagues, for your professionalism, dedication, enthusiasm and continuous support during this year.

I would like to leave you with the following quotes:

The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice – Brian Herbert

Success doesn't come from what you do occasionally. It comes from what you do consistently. – Anonymous

We look forward to a productive 2018!
