

## SLIPPER DAY 12 MAY

In support of Reach for a Dream Foundation, CKPS learners may, for a minimum charge of R5, wear their slippers to school with their school uniforms, on **Friday 12 May**.

Hope, Courage and Strength are the values that make dreams come alive and inspire dreamers to be positive, to heal and to embrace their dreams for the future. Learners are welcome to donate more than the minimum R5, as funds raised will go to the Reach for a Dream Foundation.

To make this day extra special, we are also collecting footwear for learners in informal settlements who do not have school shoes, sports shoes etc. The winter sporting codes such as soccer and netball are about to start with matches for the term. We are aware that there are many school children in informal settlements who do participate in these sports, but do not have the correct school shoes or sporting footwear.

We are appealing to all our CKPS learners who have soccer boots or takkies that do not fit them any longer, to bring them to school on **12 May**. We are only doing this drive on this one day, and will hand over all footwear collected as soon as possible. Please ensure that the boots/takkies are tied together as a matching pair.

Thanking all learners in advance for their support.
