Dear Parents,

We have sourced a useful tool to help your child improve on his/her spelling skills. It is called the AbacardDvd. It is excellent in helping your child to sound out and guide your child to build words. It includes skills to help your child up to Grade 3.

If you are interested, please attach the amount of R200 in a marked envelope with your child's name and class on it and send it to the class teacher. This amount includes the purchase of the DVD and single sounds on plastic cards and the reverse has numbers to help in Maths concepts.

Please forward your order before Tuesday, 28 March 2017, so that you can receive it before school closes.

Kind regards

Grade One Teachers
