Below is what we came up with and what was eventually unanimously adopted by the SGB:

CONSTANTIA KLOOF PRIMARY SCHOOL

VISION FOR CKPS

CONSTANTIA KLOOF PRIMARY SCHOOL is a school:

- Where all involved in the school work together to provide a safe, stimulating learning environment, that will equip our learners with the skills we believe are required for the demands of the 21st century

MISSION

- CKPS will challenge children of all abilities to achieve high standards in a wide range of academic, cultural and sporting activities.
- CKPS aims to be a place where children learn to direct their own learning, take pride in what they do, and in doing so, develop confidence in their own abilities.
- CKPS will be a place of moral values, honesty and integrity, where children learn mutual respect and where we foster the growth of responsible behaviour.
- CKPS will have professional and motivated staff and, in partnerships with parents and the community, will provide a disciplined, stimulating environment conducive to thinking critically and learning optimally.
- CKPS will promote positive, respectful and appreciative relationships with each other where staff are committed to serve as good role models for the learners.
- CKPS will keep abreast of developments in education for the benefit of our learners.

OUR DAILY CULTURE CODE:

Our Culture is living proof of what we do. We:

Are **enthusiastic** about learning, **committed** to making learning interesting.

Promote **independence** and **confidence**.

Focus on an **engaging, stimulating** classroom environment – **developing** enquiring minds.

Show **manners and have mutual** respect for each other.

Encourage genuine **connections** with all children.
