

Dear Parents

Attached, please see the rubric for the upcoming Short Story Assessment. Learners may start their planning and rough work at home. Learners may use dictionaries to assist them with spelling at home. Dictionaries will be available in class on Wednesday when learners do this assessment and learners will be allowed to bring their planning and rough work into class. Please note, the learners must come up with their OWN story, and all the work must be entirely their own.

Kind regards

Mrs. Fox
